

We got it, we got it, WE GOT IT!
Steve Vinton, June 15, 2007

We got it, we got it, WE GOT IT! Godfrey had left me and Sarah in the car and walked off with the inspectors for "the final discussion" and came out with a smile on his face. We got their approval!

It's not time to start dancing yet (after all on Monday they have to turn that report into to the Chief Inspector and then on Tuesday Godfrey will have to go to Mbeya to see if we

will get his signature and then it has to go to Dar es Salaam to two more offices to get two more signatures), but boy oh boy this has been a really hard hurdle and we're finally over this one. A million thanks to all of you for your prayers and all of your notes of encouragement. We only have fifteen days until the deadline so we've got a lot of running to do, but finally, finally, finally we have some hope and we see light at the end of the tunnel!
