

The happiness in the sound of Jonathan's voice
Steve Vinton, April 17, 2008

You can tell even in the happiness in the sound of Jonathan's voice that he's doing well! He's already been released from the hospital and he's doing just great! We want again to thank all of you for your prayers.

The folks at the hospital have been very kind in rearranging schedules and the plans are now to have Jonathan have more tests and a final check-up the morning of Friday the 25th. We are quite optimistic that we'll be given the go-ahead to just keep on with our plans to start our journey home to Tanzania on Sunday evening, April 27th!

We are indeed rejoicing!

With love,
Steve & Susan
